

# WEBB ELECTRONICS COACH POTATO - SIDELINE CAMERA SYSTEM

- Trigger your Wide and Tight Sideline views at the same time!
- You only have to use one Camera person to trigger two views
- This insures you have the same number of clips for both angles, saving you time!
- Get Zoom function on 1 camera, record on both!
- Get the optional 8 Inch field monitor to help your cameraman shoot better!
- Sturdy dual stack bar for mounting both cameras and optional field monitor!
- Works with Any Video Editing System!

**Want to shoot a Wide, Tight and Endzone?**
